

Stasha Soderlund

Hello and Welcome! My name is Stasha Soderlund and I recently became a destination specialist with World Travel Specialists. While new to the Travel Industry, I am a seasoned world traveler. I have always had a passion for traveling and have traveled throughout the US and territories, as well as 16 other countries spanning 4 continents.

Born and raised in Alabama, I joined the military and have lived in California, Montana, and am now living in one of THE top tourism destinations in the US, beautiful sunny Florida. Now a Military Spouse and Reservist, I like to travel and discover new and exciting places.

I am literally minutes from Port Canaveral, so I'm pretty well versed in cruising (I'm no stranger to Port Lauderdale/Miami either.) Living close to Orlando definitely has its benefits as well - I am a theme park enthusiast! (Curious about the Hidden Mickey's? Want to know some of the secrets of Hogwarts castle? I know, and I just might tell you.)

I have traveled extensively throughout the U.S. and its territories, including happening cities like Miami, "Hot"lanta, New Orleans, NYC, L.A., and the one that keeps pulling me back – Vegas! But I have also been a rustic scenic traveler as well, visiting the Smoky Mountains of Tennessee, Glacier National Park in Montana, Yellowstone and the Rockies, just to name a few.

My international travels include travel throughout the Caribbean, Canada, European nations such as Spain, France, Italy and Germany, Morocco, Africa and Doha, Qatar in the Middle East.

My Bucket list is to travel to all seven continents – 4 down, 3 to go!

I have traveled via Auto, Plane, Boat, Rail and even Helicopter. Let me help you find the perfect way to go, where to go, and what to do on your next vacation adventure!
